RULES

- The theme of the house may be anything you wish.
- **Use natural materials**—dry grasses, leaves, sticks, pebbles, shells, bark from a fallen tree, seed pods, acorns, berries, gourds, miniature pumpkins, pinecones, and flowers are a few examples.
- **All fairy houses must appear to be made of natural components.** Hot glue, acrylic spray, twine, and other manmade items can be used but must be completely concealed by natural elements. No paper or other products that could melt in the rain and no metal that could rust.
- **Platforms or manmade support materials can be used** for easier delivery and transport but must be concealed with natural materials when installed onsite.
- Houses must be **portable (maximum dimensions 16" x 16" x 2' high)**. Please use a sturdy base (e.g., plywood) that can hold up if wet.
- Please do not use any items of value in the house, as Adkins Arboretum is not responsible for loss or damage.
- Please make sure your name and your house's name are clearly marked and attached to the house.
- **Fairy house creators must complete this submission form and turn it in when they install their house.**
- Fairy houses must be dropped off in our Visitor's Center along with a completed registration form during operating hours by October 9. **Operating hours are 10 a.m.–4 p.m. Tuesday–Saturday and noon–4 p.m. Sunday.**
- **Awards will be given in the following categories: Golden Fairy, Most Magical, Simply Spellbinding, and Enchanted Excellence.** Ribbons will be placed on the houses on the morning of Fairyfest (Saturday, 10/12; rain date: Sunday, 10/13). Prizes will be awarded during Fairyfest at 3 p.m. on the Visitor's Center patio. Winners who are not in attendance will be notified by phone/email.
