

**Water Color I and II w/Kelly Sverduk  
2025  
Materials List**

Paint: Winsor & Newton Artists' Water Colour, 5 ml tubes:

- Winsor Yellow Deep
- Winsor Lemon
- Winsor Blue (Green Shade)
- Cobalt Blue Deep
- Permanent Rose
- Scarlet Lake

\*Please try to get these six exact colors - some names are very similar, like "Winsor Lemon Deep" or Winsor Green (Blue Shade), so read them twice when ordering! The exercises we'll be doing in class will be based on learning to mix the above 6.

Brushes: Robert Simmons White Sable (Round sizes 2 and 6) **or**  
Winsor & Newton Sceptre Gold II (Round sizes 2 and 6)

Palettes: 2 small Porcelain Watercolor palettes (I use "7-well Flower Palettes" from Blick Art Supplies and other fine art retailers). Plastic palettes are not ideal for mixing watercolor.

White t-shirt rag or similar towel for cleaning brushes

Container for water - disposable 4-cup size is good.
