EVENTS

Yarnstorming

Sunday, March 6-Sunday, April 3 Reception: Sunday, March 13, 2-4 p.m.

Sponsored by the Arboretum in partnership with the Fiber Arts Center of the Eastern Shore, Yarnstorming will present an opportunity for local fiber artists to create a whimsical and exciting visual experience in the trees around the Visitor's Center.

SAVE THE DATE!

Friday, March 11, 4:30 p.m.

Rooted Wisdom: Nature's Role in the **Underground Railroad Guided Experience Launch & Film Premiere** Harriet Tubman Underground Railroad State Park & Visitor Center, Church Creek

ROOTED

Celebrate the launch of Rooted Wisdom: Nature's Role in the Underground Railroad during the 200th anniversary commemoration of Harriet Tubman's birth with a documentary short premiere. "This remarkable film confirms freedom seekers and their families as early naturalists with enormous wells of knowledge...and offers us a fresh look at history on landscapes teeming with life. Simply breathtaking!"—Kate Clifford Larson

The 25-minute film, produced by Adkins Arboretum and Schoolhouse Farmhouse Studio in partnership with Underground Railroad historian Anthony Cohen, will also be available as a five-part guided experience, to be presented at **naturesrole.org**, that invites viewers to continue their journey of discovery at the Arboretum and beyond. Visit naturesrole.org for updates.

Rooted Wisdom: Nature's Role in the Underground **Railroad Walking Tours with Anthony Cohen**

Friday, April 22, 1:30-3 p.m. Friday, June 17, 11 a.m.-12:30 p.m. Friday, September 23, 1:30-3 p.m.

Fee: \$25 members/\$30 non-members (scholarships available) Join Underground Railroad historian Anthony Cohen for a guided tour that explores the lives of freedom seekers through the Arboretum's restored landscape. Learn about the methods they used for concealment, nourishment, and evasion while escaping enslavement.

Welcome spring in the garden! Shop the region's largest selection of landscape-ready native trees, shrubs, perennials, ferns, and grasses for spring planting. To ensure the best-quality plants, sales will be conducted entirely online and will be fulfilled by timed pickup. Check our website in early March for more details.

Online ordering: March 3-31 Pickup dates: April 28–30, May 3–7, May 10–14

Mother's Day Tea & Spring Walk Saturday, May 7, 2-4 p.m.

Fee: \$15 members, \$20 non-members

Celebrate spring and the wonderful women in your life with a guided walk and afternoon tea. We'll look for spring wildflowers along the forest paths, then return to the covered pavilion for a cuppa, scones, and other treats.

Forest Music

Thursday, June 9, 2–4 p.m.

This event is free in honor and appreciation of our members.

The **New Bassoon Institute** returns to the Arboretum! Musicians from Chestertown's National Music Festival will present a unique performance in the forest, responding to one another's playing in a musical conversation that winds through the trees.

Adkins Arboretum

12610 Eveland Road Ridgely, MD 21660

BRUCE MUNRO AT LONGWOOD GARDENS THURSDAY, SEPTEMBER 29, NOON-10 P.M.

SATURDAY, OCTOBER 1, 11 A.M.-3 P.M.

BEER GARDEN WITH DELL FOXX COMPANY SATURDAY, OCTOBER 22, 2-4 P.M.

HEALTH & WELLNESS

Nutrition for Our Brains & Hearts

Thursdays, February 3, 10, 17, & 24, 1-2:30 p.m. Fee for the series: \$35 members, \$50 non-members Eating for heart health can keep your brain healthy as well. Join Julianna Pax to learn about great-tasting foods that help the heart and brain, along with tips for making simple foods that will put you on the path to better living.

Walk15

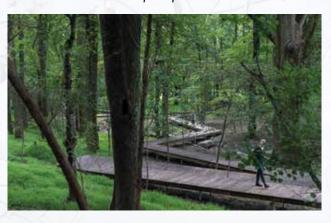

Tuesdays, April 26-May 31, 10-10:45 a.m. Fee for the series: \$35 members, \$50 non-members Get your groove on with Master Naturalist Karen Gianninoto! Walk15 is a low-impact cardio workout that combines walking in place and easy dance steps to upbeat music. Consider joining Karen after class for a stroll at 11 a.m.

Arboretum Stroll

Tuesdays, April 26-May 31, 11 a.m.-noon Free as part of the Healthy Parks, Healthy People Initiative Join Master Naturalist **Karen Gianninoto** or an Arboretum docent each Tuesday. Walk at your own pace while enjoying conversation with fellow nature enthusiasts, beautiful vistas, and plenty of fresh air.

TRIPS

Visit adkinsarboretum.org for information about pickup locations and times.

Glenstone Thursday, May 26, 8 a.m.-5 p.m.

Fee: \$65 members/\$80 non-members, 9 a.m.-5 p.m. Just 30 minutes from Washington, DC, Glenstone seamlessly integrates art, architecture, and landscape into a serene and contemplative environment with a mission of environmental stewardship. Join us for a tour of the grounds and the new Environmental Center, lunch in the cafe, and an afternoon on your own to explore the grounds and galleries.

Philadelphia Flower Show—In Full Bloom @ **FDR Park** Monday, June 13, 9 a.m.-5:30 p.m. Fee: \$105 members/ \$130 non-members The 2022 Philadelphia Flower

power of nature and plants while experiencing all that gardening offers to improve our lives. "In Full Bloom" connotes good health, positive well-being, and a passion for life that culminates in a gorgeous and colorful spectacle.

Light: Installations by Bruce Munro at **Longwood Gardens**

Thursday, September 29, noon-10 p.m.

Fee: TBD when tickets go on sale in March British artist Bruce Munro is best known for immersive large-scale light installations inspired by his interest in shared human experiences. Ten years after his U.S. debut exhibit at Longwood, Munro returns to the Gardens with Light, a breathtaking and entirely new exhibition of eight installations spanning indoor spaces and outdoor vistas. The day includes ample time to explore the grounds on your own.

STEWARDSHIP

Docent Naturalist Apprenticeship Program Thursdays, February 10, March 10, April 14, May 12, June 9, July 14, September 8, October 13, November 10, & December 8, 10 a.m.-noon

Training is free; volunteer service is required outside of class time. Do you have a passion for nature and contagious enthusiasm for the outdoors? Become part of a stellar group who volunteer their time and skills by leading guided nature walks at the Arboretum. You'll learn through a combination of observation, mentorship, and practice. By the end of the program, you'll have confidence in your ability to engage an audience in the Arboretum's mission as you share your love of nature.

To become a docent apprentice, contact Jenny Houghton at jhoughton@adkinsarboretum.org or 410-634-2847, ext. 23.

The Climate Challenge

February 16, 10-11:30 a.m. Fee: \$10 members/\$15 non-members

There's a lot of hype about climate change—this program delivers the science. Environmental educator and naturalist **Jenny Houghton** will discuss how and why our climate is changing and what we can do to respond and adapt.

New Moon Friday

Friday, April 1, 7:30-9 p.m.

Fee: \$5 members, \$10 non-members, ages 18 and under free When the sun and moon align, the moon is invisible from Earth, creating the darkest sky of the month, or the "New Moon." This is the perfect time to view stars and the Milky Way, and the Arboretum is one of the best "dark sky" locations in our area. Local stargazers will be on hand, and we'll provide hot chocolate to keep you warm and engaged. Dress for the weather and consider bringing your own red-light flashlight, telescope, folding chair, and/or binoculars.

Saturday, April 9, 1-4 p.m.

Fee: Free for members/free with \$5 admission for non-members Learn basic tree biology, how trees react to pruning cuts, and how to properly prune small trees and shrubs to achieve desired results. This session with Terry Bohner and Garrett Dickel will also cover risk-assessment techniques used to evaluate tree health and potential safety concerns.

Plants for Sun, Shade, Wet, Dry

Tuesday, May 17, 1-2:30 p.m.

Fee: \$15 members/\$20 non-members Join Arboretum Science Advisor Sylvan Kaufman to tour plants of the woods and gardens. Learn which native plants make good garden plants for spring flowers, early pollinators, and more.

Trees of the Chesapeake

Wednesdays, May 18 & 25, June 1, 10-11:30 a.m.

Fee for the series: \$25 members/\$30 non-members Can you tell your sweetgums from your maples? In this three-part series with **Jenny Houghton**, we'll delve into native tree identification by exploring the Arboretum's diverse habitats. We'll also uncover the dynamic relationships between native trees, animals, and people, now and in the past.

ARBORETUM INHABITANTS

B G AND SMALL

The Birds Are Coming. Time to Get Ready! Wednesdays, March 9, 16, & 23, 10-11:30 a.m.

Fee: \$35 members/\$45 non-members Songbirds will soon be arriving, so what better time for a review? Jim Wilson will discuss bird migration and review by sight and sound the warblers, sparrows, and more that will be arriving during spring migration. Apply what you learn on Jim's weekly bird walks in April and May.

Herpetology Walk

Saturday, March 26, 10-11:30 a.m.

Fee: Free for members/free with \$5 admission for non-members Join **Scott Smith** to learn about the frogs, turtles, snakes, and salamanders that inhabit the Arboretum wetlands and forest. Scott is the Maryland DNR-Natural Heritage Program Wildlife Diversity Ecologist.

Spring Songbird Migration

Saturdays, April 2, 9, 16, 23, & 30, 8–10 a.m. Fridays, May 6, 13, & 20, 8-10 a.m.

Fee: Free for members/free with \$5 admission for non-members Meet Jim Wilson in the parking lot for weekly walks to track the birds moving through the Arboretum during spring migration. This program will be held entirely outside.

Dragonflies & Damselflies

Saturday, June 25, 10 a.m.-noon

Fee: Free for members/free with \$5 admission for non-members The Arboretum streams and wetland host many dragonfly and damselfly species. They are beautiful creatures with complex behaviors, and it's all on display if you take the time to look. Join **John Gillespie**, a retired professor of evolution, to learn about the local species and see who's flying about. Rain date: Saturday, July 2.

Adkins Arboretum Stewardship programs count as continuing education for Master Gardeners and Maryland Master Naturalists.

YOUTH PROGRAMS

Acorn Academy Nature Preschool Tuesdays, March 22-May 10, 10-11:15 a.m.

Fee: \$100 members/\$125 non-members. Thanks to a generous grant from the PNC Foundation, fees are waived for Caroline County residents. Advance registration required. Welcome spring with your preschooler at the Arboretum! Open to children ages 3 to 5, this series of eight classes includes nature walks, stories, songs, snacks, and an art project to take home. An instant playgroup for moms and tots alike, the nature preschool helps children learn socialization skills while they explore the wonders of the great outdoors. Nature ABCs, 123s, and nursery rhymes are part of the fun.

HOMESCHOOL PROGRAMS

Hooray for Herps! (Ages 6–8)

Tuesdays, March 22-May 10, 1-2:30 p.m. Fee: \$110 members,/\$135 non-members (\$10 sibling discount). Advance registration required. Enter the bizarre and fascinating world of reptiles and amphibians in this exciting, hands-on herpetology program. We'll compare herps past and present, conduct experiments to learn how herps regulate body temperature, investigate the survival strategies of salamanders, and much more. Searching for herps in the Arboretum's

Weather Chasers (Ages 10–12) Tuesdays, March 22-May 10, 1-2:30 p.m.

Fee: \$110 members/\$135 non-members (\$10 sibling discount). Advance registration required.

wetland, stream, and forest will be part of the fun.

What's the difference between weather and climate? How is weather measured and predicted? What are scientists saying about climate change? Homeschoolers will find the answers to these questions and more through hands-on exploration of weather instruments, air masses and fronts. weather maps, cloud formation, temperature, atmosphere, climate zones, and severe weather.

Summer Nature Camps

SAVE THE DATE! Registration begins March 1.

2022 Camp Dates

Camp Pollywog (ages 4–6): June 20–24, 10 a.m.–noon Camp Egret (ages 10–12): June 27–July 1, 9 a.m.–3 p.m. Camp Paw Paw (ages 7–9): July 11–15, 9 a.m.–noon Camp Bumblebee (ages 2–3): July 18–22, 10–11:30 a.m. Camp Turtle (ages 4–6): July 25–29, 10 a.m.–noon

ARTS & CRAFTING

Build a Wave Hill Chair

Saturday, February 12, 1-3 p.m.

Fee: \$230 members/\$275 non-members Chanticleer Garden horticulturist and craftsman Dan Benarcik returns to the Arboretum to lead a workshop in constructing the iconic and timeless Wave Hill chair. Bring a fully charged cordless drill; all other materials are provided.

PYSANKY: Ukrainian Egg Decorating

Workshop—Art and Nature Saturday, April 2, noon-4 p.m.

Fee: \$45 members/\$60 non-members Create a beautiful egg in the time-honored Ukrainian tradition of Pysanky. Considered by many to be a "sacred magical art," the Pysanky is an ancient means to celebrate the cycles and events in nature and in life. Instructor Coreen Weilminster has been making Pysanky for more than 30 years. This is an adults-only class. Visit adkinsarboretum.org for class requirements.

Nature Journaling

Sundays, April 3, May 1, June 5, 1-3 p.m. Fee: \$45 members/\$55 non-members

Learn to create a personal interpretation of what you see, know, and think about nature in this series with fine artist and Maryland Master Naturalist **Diane DuBois Mullaly**.

Wednesdays, May 18, July 20, September 21, 1-2:30 p.m. Fee: \$15 members/\$20 non-members per class Floral designer and Chesapeake Blooms co-founder Samantha McCall creates stunning and environmentally friendly floral designs. Learn how in this program that emphasizes sustainable practices and "floraging" for unusual natural elements.

BOTANICAL ART PROGRAMS Materials lists will be provided.

Open Botanical Art Studio

Second Fridays, 10 a.m.-12:30 pm Fee: \$25 members/\$30 non-members per session Receive individual instruction and critiques and learn about a new concept, technique, or plant species. A project based on that topic will be assigned and will be due and discussed at the following month's workshop. This will encourage participants to work to enhance their skills and to develop the incentive to work independently.

Registration is limited to 10 students to ensure each artist

Botanical Drawing I

receives quality individual coaching.

Fridays, February 18 & 25, March 4, 18, & 25, 10 a.m.-1 p.m.

Fee: \$125 members/\$155 non-members Led by Lee D'Zmura, this introduction to botanical drawing will focus on the development of skills and techniques necessary to capture the essence of flowers, fruits, pods, and leaves. Form, scale, depth, and perspective will be emphasized. Each student will produce a detailed botanical study in pencil.

Illustrated Phenology Wheel

Fridays, April 1 & 15, 10 a.m.-2 p.m. Fee: \$90 members/\$115 non-members

A circular calendar used for recording observations of the natural world, a phenology wheel can focus on a particular area or chart the growth and habits of various plants and animals throughout the year. Illustrate a complete sample wheel with instructor **Kelly Sverduk** and then set up a fresh one to complete over the months ahead.

Introduction to Watercolor Fridays, April 22 & 29, May 20 & 27, 10 a.m.-2 p.m.

Fee: \$195 members/\$240 non-members Watercolor is a versatile and expressive medium, but it can be intimidating at first. This class with **Kelly Sverduk** will focus on proper watercolor technique: brush handling and control of water, mixing colors using a limited palette, and achieving gradients and a variety of textures with washes and layering.

Botanical Drawing II

Fridays, September 30, October 7, 21, & 28,

November 4, 10 a.m.-1 p.m. Fee: \$125 members/\$155 non-members In drawing, light and shade communicate the threedimensionality of a plant, with highlights and shadows introducing depth and form. This series taught by **Lee D'Zmura** emphasizes the principles of light and shadow and techniques for adding tonal shading to graphite drawing. Prerequisite: Botanical Illustration I.

GUIDED WALKS

First Saturday Walks

First Saturday of the month, 10 a.m. Free for members/free with \$5 admission for non-members Join a docent naturalist to explore the Arboretum's rich and unique native plant habitats, including mature and young native forests, meadows, a wetland, rain and pollinator

gardens, the Native Plant Nursery, and the children's

about an hour. **Nature's Interconnections: Spring Ephemerals**

teaching garden. Tours begin at the Visitor's Center and last

Sunday, April 24, 1-2:30 p.m. Free for members/free with \$5 admission for non-members Spring at the Arboretum offers a dazzling diversity of flowers that emerge and are gone in the blink of an eye. Join Arboretum docent and Maryland Master Naturalist Margan Glover to look for early spring's botanical treasures: trout lilies, Virginia bluebells, spring beauties,

Bird Migration Walks

pink lady's slipper, and more.

Saturday, May 7, 8-10 a.m.

Saturday, September 10, 8-10 a.m. Free for members/free with \$5 admission for non-members Look for birds in the Arboretum's forest and meadows with **Wayne Bell**, a passionate birder, former director of Washington College's Center for Environment and Society, and enthusiast of all things ecological.

Wild Foods Forest Walk

Sundays, May 29, July 26, & September 18, 1–2:30 p.m. Fee: \$20 members/\$25 non-members per program A permaculture approach toward plant functions supports ecological stewardship, food security, and human health and vitality. Join nutritional therapy practitioner **Shane Brill** for a guided walk exploring historical foodways and future food resources, including fruits, nuts, leaves, sap, and roots.

Summer Wildlife Walk Sunday, June 26, 1-2:30 p.m.

Free for members/free with \$5 admission for non-members Life's pace picks up at the Arboretum in summer. This walk with **Margan Glover** will explore habitats and locate the denizens that keep the Arboretum humming. All ages are welcome.

Soup 'n Walk

11 a.m.-1:30 p.m. \$25 members/\$30 non-members

Following a guided walk with a docent naturalist, you'll return to the Visitor's Center for a delicious and nutritious lunch along with a brief talk about nutrition. Copies of recipes are provided. All gift shop purchases are 20% off on Soup 'n Walk days. Visit adkinsarboretum.org for

menus and full year's schedule. Early Blooms, Songbirds, & Spring Frogs
